Phnom Penh,

13. PROJECT OBJECTIVE: (Describe the major purpose of the project.)

The project aims to develop a self-sustained mechanism through capacity building to implement the Master Plan and future logistics improvement, and strength the institutional framework and enhance the inter-ministerial and private sector consultation capacity.

14. PROJECT DESCRIPTION: (Provide a description of the project and all its components.)

The project aims to enhance the logistics institutional capacity of General Department of Logistics for effective administration, management, and coordination of logistics related activities, including inter-ministerial and private sector consultation. The key components of the project include the following:

- Operationalization of the National Logistics Council (NLC) and National Logistics Steering Committee (NLSC), and the General Department of Logistics (GDL) as secretariat.**
- Enhancement of the consultation capacity with the private sector**

15. PROJECT JUSTIFICATION: (Give reasons why this particular project is considered worthwhile.)

With NLC and NLSC recently established, GDL's management capability as the secretariat will play a key role in the further development of logistics sector. Although inter-ministerial and privates sector consultations have been conducted and logistics issues have been addressed, the issues are not dealt with effectively, nor in a timely manner. Therefore, through this project GDL's management and coordinating capacity will increase, thus effective facilitation of the NLC and NLSC will be possible.
