- Gender mainstreaming** **Gender mainstreaming**
- Gender mainstreaming**
- Gender mainstreaming**
12. PROJECT LOCATION: (Describe the location of the project and its components.)
Mondul Kiri, Kampot, Kampong Speu, Siem Reap, Preah Vihear,
13. PROJECT OBJECTIVE: (Describe the major purpose of the project.)
The main Project outcome: Persons with disabilities and women affected by GBV benefit from access to sustainable ,quality, inclusive services.
14. PROJECT DESCRIPTION: (Provide a description of the project and all its components.)
The project collaborates with MOWA, MOSVY/DAC and MEF to contribute to ensure:
1- Relevant RGC entities plan and utilises their resources more effectively for GBV and disability-related services, in accordance with MEF guidelines
2- RGC, CSOs and private sector sustainably improve the coverage, quality and inclusiveness of services for persons with disabilities and women affected by GBV
15. PROJECT JUSTIFICATION: (Give reasons why this particular project is considered worthwhile.)

This project aims to improve the public services for women and girls affected by gender based violence and persons with disabilities. These groups are among the disadvantaged populations and the current public services and policy coordination are limited in addressing the needs of the groups. The groups need specialized services and providers have to specialized training, for example, psychosocial and mental health counseling, legal counseling and procedures, forensic examinations, prosthetic and orthopedics.

16. BENIFITS: (Who will benefit, directly and indirectly, from the project?)

Direct beneficiary groups are: women and girls affected by gender based violence and persons with disabilities. Indirect beneficiary groups: providers of gender based violence services and of disability services in the target provinces and officials of MOWA and MOSVY and DAC.

17. FEASIBILITY STUDY

Is a Feasibility Study for the project required? **Yes**

If YES, has it been carried out? **Has been done**

18. SOCIAL & ENVIRONMENT IMPACT: (Briefly describe the effects of the project, if any, on the people and the surrounding enviroment. Will the project assist in alleviating poverty?)

The project contributes to poverty alleviation among the direct beneficiary groups via provision of services in social supports and in economic opportunities, i.e. skill training, job seeking/placement, financial and incubator training

19. CLIMATE CHANGE

a. Is any activity or output of the project related to Climate Change? **Yes**

If Yes, please indicate **Mitigation**

b. How is the project relevant to Climate Change?

Please select a Climate Change related sector of the project and fill up the contribution of the climate change related expenditure compared to the total project cost.

Climate Change-Related Sector	Percentage	Climate Change Relevance
-------------------------------	------------	--------------------------

20. DISASTER RISK REDUCTION

Is any activity or output of the project related to Disaster Risk Reduction? **No**

21. GENDER ANALYSIS: (How does the project affect the roles of the men and women in the project area? Will women be actively involved in the implementation of the project?)

The project promotes gender equality and involves community men and women with and without discability and local authorities in the target provinces to integrate gender and violence issues in commune development programs.

22. CAPACITY TO IMPLEMENT: (Does the Ministry have the skills and experience required to implement the project?)

The project works with the capable teams of MOWA, MOSVY and MEF to coordinate project activities and ensure good implementation.

23. STATUS OF PROJECT IMPLEMENTATION: (Provide a brief update on the progress of the project to date. Discuss any major problems causing delays in project implementation.)

This is a five-year project (2018 -2023) and as of August 2021 the project is entering its Year 4, having finished the phase 1 (Sep 2018- Sept 2021).Progress update of the project
