 - **Updating, printing, and promoting public awareness on RIA principles.**
15. PROJECT JUSTIFICATION: (Give reasons why this particular project is considered worthwhile.)

- Regulation can have benefits, but businesses, community, organizations or people will pay the price of poor regulation.
- Regulation can't eliminate every risk, nor should it. We therefore seek better regulation, not more regulation.
- Policy makers must seek practical solutions, balancing risk with the need for regulatory frameworks that support a stronger, more productive and diverse economy where innovation, investment and jobs are created.
- With this new approach, stakeholders can look forward to a future with substantially less red tape and economy continuing to grow and prosper.
